PROFESSIONAL SUMMARY

B.Tech CSE (AI & Data Science) student at Sanjay Ghodawat University with a CGPA of 9.40 and hands-on experience developing web applications, REST APIs and AI-powered solutions. Proficient in JavaScript, TypeScript, React.js, Node.js, Express.js, Python, PostgreSQL, Prisma ORM and Supabase, with experience in secure API development, database design, authentication and real-time integrations. Seeking internship opportunities in software development, web application engineering or AI-enabled application development.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), TypeScript, Python, C++, SQL
Frontend: React.js, Vite, HTML5, CSS3, Tailwind CSS, React Hooks, responsive UI
Backend: Node.js, Express.js, NestJS, FastAPI, REST APIs, middleware, CRUD workflows, JWT authentication
Databases: PostgreSQL, MongoDB, Supabase, Prisma ORM, Mongoose ODM, relational schema design
Security: Role-Based Access Control (RBAC), PostgreSQL Row-Level Security (RLS), request validation
Tools & APIs: Git, GitHub, Postman, VS Code, Render, Grafana k6, Gemini API, Ollama, Vapi, Murf AI, voice API integration

PROJECTS

Bizora AI - Autonomous Retail OS & Decision Intelligence Platform

TypeScript | React 19 | NestJS | Prisma ORM | PostgreSQL | MongoDB | Ollama | Python FastAPI | WebSockets

- Architected a multi-tenant retail OS with 5 role-based portals (Owner, Admin, Supplier, Customer and POS), connecting inventory, procurement, double-entry financial ledgers and zero-fee UPI/WhatsApp billing.
- Engineered Bizora-Model-v1, a local zero-cloud-cost decision engine with Dual Shadow Learning that converts store telemetry into JSONL datasets and drafts purchase orders and markdown strategies; added the BizVoice pipeline with Whisper STT, Kokoro-82M TTS and bidirectional WebSockets for procurement voice notes in 5 regional languages.
- Secured tenant workflows with JWT authentication, RBAC guards, request validation and rate limiting; a Grafana k6 load test recorded 0.00% request failures.

MediCare - Hospital Management & AI Telephony Platform

React 18 | TypeScript | Tailwind CSS | Vite | Supabase | PostgreSQL | Deno Edge Functions | Vapi AI | WebSockets

- Designed a hospital ERP with 6 role-based portals (Doctor, Nurse, Receptionist, Cashier, Admin and Patient), supporting appointment scheduling, real-time bed tracking, clinical notes, ward management, billing and emergency workflows.
- Connected Vapi AI and WebSockets for 24/7 appointment booking, callback requests and emergency triage; protected 23 PostgreSQL tables with Supabase Auth, JWT verification and Row-Level Security (RLS).
- Created 5 Deno Edge Functions for webhooks, AI prompt sanitization and jsPDF report generation; configured CI/CD keep-alive monitoring against a 99.9% database-availability target.

Bizora Voice - Multilingual AI Voice Telephony Platform

Next.js 15 | React 19 | TypeScript | FastAPI | WebSockets | Supabase | Twilio SIP | Whisper | Silero VAD

- Created a developer platform to configure, test and deploy multilingual voice agents, using duplex WebSocket streaming, natural turn-taking and barge-in; engineered the pipeline for sub-329 ms latency.
- Combined Silero VAD, Faster-Whisper STT, Gemini and Ollama LLMs, and Kokoro/Edge-TTS for Marathi, Hindi, Gujarati, Tamil and Indian English voice interactions.
- Enabled Twilio SIP/BYOT telephony, multi-agent Squads orchestration, Google OAuth 2.0 with PKCE, organization workspaces and call analytics.

EDUCATION

B.Tech, CSE (AI & Data Science) | Sanjay Ghodawat University, Kolhapur | NIAT Upskilling Program | 2025-2029 | CGPA: 9.40
HSC (12th) | Shanti Junior College | 2025 | 68%
SSC (10th) | Model Public School | 2023 | 92%

LEADERSHIP & ACHIEVEMENTS

- General Secretary, E-Cell, Sanjay Ghodawat University; coordinated entrepreneurship initiatives, events and student-team operations.
- Participated in 6 hackathons/buildathons: NASA Space Apps Challenge (2025), Smart India Hackathon (2025), OpenAI Academy x NxtWave (2026), Murf AI (2026), Meta x Scaler (2026) and NIAT TakeOver (2026).
- Entrance exam results: JEE Main - 91 percentile | MHT-CET - 95 percentile.
